

FLYLINK AVIATION COLLEGE

AVI50519 | CRICOS: 0101241 | IR

Diploma of Aviation (Instrument Rating)

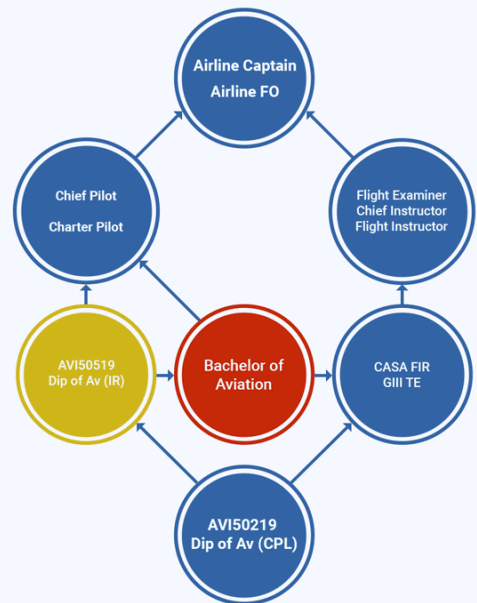

Overview

Qualified as a commercial pilot and is ready to take it to the next level? Remove the restriction of "day time fair weather flying" by completing our AVI50519 Diploma of Aviation (Instrument Rating) course. A must-do course for those pursuing a career as a professional pilot, this Diploma will equip you with in-depth knowledge, professional attitude and competent skills towards managing a multi-engine aircraft as well as flying in and out of clouds during both day and night.

Why this course?

- ✓ Final Diploma to complete to gain 80CP for Griffith University's Bachelor of Aviation
- ✓ An advanced course that will further enhance your knowledge and skills in more challenging environmental conditions
- ✓ Tertiary qualification along with internationally recognised flight crew qualification upon graduation

Career Pathway:

COURSE INCLUSION
